ALLERGIES

If you have an allergy please let us
know and our manager will take
your order personally.

Our Allergen Matrix is available on our website and
can be accessed through the QR code on your table.
It shows which of the 14 legally declarable allergens
are contained in every dish on our menu. Because
our recipes sometimes change it is important you let
us know about any allergies every time you order.
Though we recommend that you check the Matrix
yourself our team will always be happy to advise,
particularly if your allergy is not covered.

We have strict procedures in place for taking and
preparing allergen orders but you should be aware
that allergenic ingredients are present on our
premises and those of our suppliers.

Despite the significant efforts we go to,
we cannot eliminate the risk of cross
contamination and therefore cannot
guarantee any of our dishes are 100%
free of allergens.
